

May 12, 2023

Dear Rate Payer:

**RE: Dust Control**

---

Please be advised that the Rural Municipality of Hillsdale No. 440 will be offering dust control for the 2023 season. DL-10 emulsion dust control oil is available to occupied yard sites adjacent to a municipal road. The RM of Hillsdale No. 440's policy requires you to be responsible for paying the full cost of the product applied plus applicable taxes. The RM will be providing the gravel, equipment and manpower to apply.

Please Note, your application states:

1. *There is no guarantee to the life expectancy of the material.*
2. *The RM is the road authority and shall reserve the right to grade as necessary.*

If you do not pay for your dust control the outstanding amount will be added to your taxes on December 31, 2023 and you will not be given the option for dust control in the future.

The cost for the dust control product will be  
approximately \$2,650.00 plus GST, per 660 foot site.  
*(price of product has increased 25¢ per litre from 2021)*

**If you are interested in having dust control applied by your yard site  
please fill out the enclosed form and return by**

**mail – Box 280, Neilburg, SK S0M 2C0**

**fax – 306-823-4477**

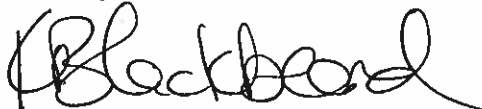

**email – [pwc.rm440@sasktel.net](mailto:pwc.rm440@sasktel.net)**

**or in person – 39 Centre Street, Neilburg, SK**

**to the RM of Hillsdale on or before Wednesday, June 5, 2023.**

If you have any questions please contact the Municipal Office at 823-4321.

Yours truly,

Karrie Blackbeard, Public Works Coordinator  
Rural Municipality of Hillsdale No. 440

Enclosure

## 2023 APPLICATION FOR DUST CONTROL

Applicant \_\_\_\_\_

Address \_\_\_\_\_

Phone \_\_\_\_\_ Cell \_\_\_\_\_

Land Location \_\_\_\_\_

1. The Ratepayer acknowledges and agrees that the RM makes no guarantee as to the life expectancy of the material process.
2. The Ratepayer agrees that the RM, being the road authority, shall reserve the right to grade the surface when it is deemed necessary by the RM to eliminate potholes and maintain a reasonably smooth surface to the said portions of roadway.
3. The RM shall apply the dust control material on the said portions of roadway to a width of Twenty four (24) feet or to such additional width as the RM in its sole discretion may decide.
4. The RM shall apply the dust control material on the said portions of roadway to a length of Six Hundred Sixty (660) feet or to such additional length as the RM in its sole discretion may decide.
5. The Ratepayer agrees to release any claims they might have against the Municipality for any damages to real and personal property owned or occupied by them, including damages to trees and crops growing or located on their said real property, and further agrees to indemnify the RM against all liabilities, costs, suits, claims, demands, actions and causes of actions of any kind for which the RM may become liable by reason of the application of Dust Control to the said roadway or any injury or damage to property occasioned to or suffered by any person or any property, crops, trees, or livestock by reason of the application of Dust Control to the said roadway.
6. The Ratepayer agrees to pay the total actual cost of material applied and that any invoice for dust control not paid to the RM by December 31<sup>st</sup> will be added to your municipal taxes.
7. The Ratepayer agrees to have the following product used for Dust Control:

  X   DL-10 Emulsion Oil
