1. The Ratepayer acknowledges and agrees that the RM makes no guarantee as to the life expectancy of the material process.
2. The Ratepayer agrees that the RM, being the road authority, shall reserve the right to grade the surface when it is deemed necessary to eliminate potholes and maintain a reasonably smooth surface to the said portions of roadway.
3. The RM shall apply the dust control material on the said portions of roadway to a width of Twenty four (24) feet or to such additional width as the RM in its sole discretion may decide.
4. The RM shall apply the dust control material on the said portions of roadway to a length of Six Hundred Sixty (660) feet or to such additional length as the RM in its sole discretion may decide.
5. The Ratepayer agrees to release any claims they might have against the Municipality for any damages to real and personal property owned or occupied by them, including damages to trees and crops growing or located on their said real property, and further agrees to indemnify the RM against all liabilities, costs, suits, claims, demands, actions and causes of actions of any kind for which the RM may become liable by reason of the application of Dust Control to the said roadway or any injury or damage to property occasioned to or suffered by any person or any property, crops, trees, or livestock by reason of the application of Dust Control to the said roadway.
6. The Ratepayer agrees to pay the total actual cost of material applied on or before December 31. Failure to do so will result in charges being added to your municipal taxes.
7. The Ratepayer agrees to have the MG30 Dust Suppressant used for Dust Control.
