

May 16, 2024

Dear Rate Payer:

RE: Dust Control

Please be advised that the Rural Municipality of Hillsdale No. 440 will be offering a new product for dust control for the 2024 season (*please see information page*). MG 30 Dust Suppressant is available to occupied yard sites adjacent to a municipal road. The RM of Hillsdale No. 440's policy requires you to be responsible for paying the full cost of the product applied plus applicable taxes. The RM will be providing the gravel, equipment and manpower to apply.

Please Note, your application states:

1. *There is no guarantee to the life expectancy of the material.*
2. *The RM is the road authority and shall reserve the right to grade as necessary.*

If you do not pay for your dust control the outstanding amount will be added to your taxes on December 31, 2024 and you will not be given the option for dust control in the future.

The cost for the dust control product will be approximately \$1,150.00 plus GST, per 660 foot site.
(MG30 product is approximately half the cost of DL-10 used in previous years)

**If you are interested in having dust control applied
please fill out the enclosed form and return by
mail – Box 280, Neilburg, SK S0M 2C0
fax – 306-823-4477
email – pwc.rm440@sasktel.net
or in person – 39 Centre Street, Neilburg, SK
to the RM of Hillsdale on or before Wednesday, June 12, 2024.**

If you have any questions please contact the Municipal Office at 823-4321.

Yours truly,

Karrie Blackbeard, Public Works Coordinator
Rural Municipality of Hillsdale No. 440
